### ACTIVITIES

- Viewing of DVDs of Krishnamurti's talks
- Dialogue groups
- Hikes, twice weekly
- Body awareness through Yoga, Feldenkrais, Dance
- In the evenings: either specific DVDs or music, or sessions offered by participants

Our intentions are to create a space in which participants have a possibility to be free, to reflect and to care for each other. We will be together to explore the mind, to let go of old patterns, to interact, to listen, to observe. There is no authority and no goal to reach.

The atmosphere of friendliness, seriousness, silence and togetherness is important.. Mürren offers the possibility to be in touch with the beauty of the high mountains and the quality of silence.
